Login Page

A hand-drawn sketch of a login page layout on lined paper. The sketch is enclosed in a rectangular border. At the top, there is a horizontal line representing a navigation bar. On the left side of this bar, there is a small circle with an arrow pointing to it from the text "link to home". In the center of the bar, the text "UNO" is written. On the right side, there are two small squares followed by an arrow pointing to them from the text "nav bar". Below the navigation bar, the text "Log In" is centered. Underneath "Log In", there are two input fields: the first is labeled "email" and the second is labeled "password". Below these fields, there are three buttons: "forgot password", "sign up", and "login". Below the "forgot password" button, there is an upward-pointing arrow from the text "link to send password to email". Below the "sign up" button, there is an upward-pointing arrow from the text "link to sign up page".

Sign Up Page

The diagram is a hand-drawn wireframe of a web page titled "Sign Up". At the top, there is a header bar. On the left of the header is a circle with a line pointing to it from the text "Link to home page". In the center of the header is the text "UNO". On the right of the header is a box containing the text "Log In | Sign Up". Below the header, the main content area is titled "SIGN UP". Under this title are four input fields, each preceded by a label: "Desired Username", "Email", "Password", and "Confirm Password". Below these fields is a rectangular button labeled "Sign Up". A line points from the text "Link to lobby" to the bottom of the "Sign Up" button.
